Y-151

With the Y-151 (Y-151T) and without the use of solvents, clothing is easily labelled once with the label being readily removable after washing or cleaning. The ink ribbons used are both laundry and chemical cleaning resistant.

Operating the machine is easy. In one job, the label is printed, cut off and attached on clothes in a few seconds. The Y-151 increases productivity by being both cost-effective and a time saver. The tape used is available in 11 colors which facilitates sorting by day and route. The imprint can be up to 12 letters and/or numbers.

Y-151	
Power supply (Volt)	230V +/- 10%, 50-60Hz
Power consumption maximum (Watt)	175
Temperature range (°C)	50 – 210
Timer (Sec-)	1 – 99
Dimensions HxWxD maximum (Millimeters)	389 x 556 x 432
Sealing platen	35 x 15
Noise level (Decibel)	< 70
Air pressure range (Bar)	3.5 – 5
Usage litres per cycle @4 Bar	0,98
Weight (Kilogram)	19
Shipping weight (Kilogram)	23
Shipping dimensions HxWxD (Millimeters)	500 x 490 x 530
Certification	CE
