

## MINIPRINT TAPE

Your logo and company name in silkscreen printing

Highlights • Available in a variety of sizes and colours • Blank as well as preprinted • Rounded corners to optimize adhesion

### Practical

For the practical Miniprint labelling system, Thermopatch offers a wide range of die cut heat seal tapes, both blank and preprinted with the logo of your choice.

### Blank tapes

Blank tapes are available in a variety of sizes and colours. Choose the ones that fit your purpose best. The die cut labels feature rounded corners to optimize their adhesion under heavy washing conditions.

### Preprinted tape

Really attractive house style labels are created on special tapes preprinted with any logo you wish. Using Miniprint's wide range of type faces, you can produce your own individualized company emblems on demand!
