Thermopatch
an Avery Dennison Company

WOVEN EMBLEMS

Highlights • Very detailed and luxurious look • Fast delivery • Upward of 100 pieces • Available in many colours and sizes

What are Woven Emblems?
You want the look of an embroidered emblem including fine letters and detailed images?

Then the Woven Emblems of Thermopatch are the ideal solution. Our woven emblems are available in almost any shape, size and colour. Due to laser-cut technology any shape of your identity product can be created. Our Woven Emblems are provided with a thermoplastic adhesive layer which guarantees an optimal and long-lasting comfort.

Special Features
The Woven Emblems of Thermopatch are a welcome addition to our range of products for corporate identity. Fine, flexible and smooth: a Woven Emblem is the perfect choice for fine, detailed images. Also the gradient in a multicolor design is unmatched.

Woven Emblems are available in almost any size and colour, with a minimum order quantity of 100 pieces. Through our webshop you will receive a reaction with an artwork within 24 hours.

Colours
Woven Emblems can be produced with a maximum of 8 different colours.

Sealing
For the best adhesion to textile, our Woven Emblems are provided with a thermoplastic adhesive layer.

Pricing
A price list can be obtained from your local Thermopatch dealer or directly through our webshop.
