

Thermoseal Tape

Thermo-Seal® tape rolls are specifically made for all Thermo-Seal® temporary marking machines.

There are eleven colors orange, yellow, red, gray, lavender, white, green, pink, blue, gold and tan. These multiple colors can be used for a store, day, week, bundle, lot or whatever coding system you may use. The adhesive on the back of the label is designed to go through the wash and then be easily removed leaving no adhesive residue.
