

# CERTIFICATE

## The company

**Thermopatch B.V.**  
**Draaibrugweg 14**  
**1332 AD Almere, NETHERLANDS**

is granted authorisation according to STANDARD 100 by OEKO-TEX® to use the OEKO-TEX® mark, based on our test report **2031**

## for the following articles

**Unprinted and printed (screen, digital or thermal) heat sealable labels, tapes, emblems and foils (with OEKO-TEX® approved flame-retardants) – base material polyester and polyester/cotton – with or without self-adhesive layer**

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for products with direct contact to skin.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

**The certificate 1012046 is valid until 31.12.2017**

Zwijnaarde, 20.12.2016

A handwritten signature in blue ink, appearing to read 'i.o. Devaere', is written over a horizontal line.
